## Introduction

This index to probate records for the Peculiar Court of Faringdon spans 1547-1853. The Peculiar Court came under the jurisdiction of the Prebend of Salisbury, and only covered the Berkshire parishes of Faringdon and Little Coxwell.

The index provides basic biographical details extracted from the filed probate documents held at Berkshire Record Office, together with information about what legal documents survive for each case.

The documents themselves can be consulted at the Berkshire Record Office.
