Introduction

Berkshire Record Office was established in 1948 to locate and preserve records relating to the county of Berkshire and its people, and to make them available for research to anyone who is interested in the county's past.

This is a guide to sources at Berkshire Record Office for schools in the Wokingham area.

If you would like to visit the office to carry out your research, please make an appointment (contact details on the front cover). Please see our free **Essential Information for Visitors** leaflet.

Using this Guide

The guide is arranged in alphabetical order of civil parish, and then according to the following abbreviations, which refer to the different kinds of record available:

AR	Admission register
D	Architectural drawing
LB	Log book
M	Managers' minutes
P	Photograph
PB	Punishment book
O	Other

The references after each entry should be quoted if you would like to see that item. For more information and details on closure of items, please look up the reference in the appropriate catalogue.

Please note that BRO does not hold individual pupil records or exam results.

Note on Closure

Access to documents containing personal information is usually restricted to 50 years after the last entry in a document. If you wish to see a restricted item please ask a member of staff.

Reading School Board/Education Authority general

The majority of non-church schools were run by the Board, 1871-1903.

From 1903 to 1974, the borough's Education Committee was a Local Education Authority, independent of Berkshire County Council (see R/AC for minutes, R/FE for accounts, and R/E for other records.)
